Terms and conditions

Public Liability
The show in general has public liability insurance but exhibitors must also have their own. As a professional potter (or someone making that transition) selling direct to the public either at SCF, craft fairs, or from the studio, everyone is expected to carry public and product liability insurance. In an age of litigation any accident could result in a major claim against a potter. SCF carries public liability for the fabric of the show but has no jurisdiction over individual stalls.
N.B. **Exhibitors will not be allowed to set up without proof of public liability insurance.**

All work on your stand must be ceramic.

Please note the consumption of alcohol is not allowed in the exhibition spaces at any time.

The actual maker must be present at all times
All the work displayed must be produced by the potter on the stand and whose name is on the application form. No sub-letting of space is allowed.

N.B. Applications will not be accepted without images of the work to be displayed. These should be of current work.
Images are used for the website, fliers, posters and banners. Please send 4 to 6 **high quality images** of your work to a minimum of **200dpi resolution, 1.5 MB, maximum size 5Mb**, each **labelled with your name** (e.g. B Holland 1)
Please send images of new work, with **plenty of space around the piece** so that magazines, social media etc. can crop down to the size and shape they require.

Payment in full is due on notification of being offered a space. Monies to be paid by BACS after notice of acceptance.
Potters who cancel cannot pass their space to a third party, thus by-passing the reserve list. Cancellation at any time after accepting a place will incur a £20 administration fee. Cancellation after March 1st 2027 will result in the loss of all monies paid.
